

## The one stop educational solution for migrants

Bridgewiz for Children | Bridgewiz for Adults

Bridgewiz is an exclusive one-on-one program that caters to the specific requirements of individuals or families looking to settle in Australia.

## Bridgewiz

### For Children

The main objective of this program is to familiarise your child with the needs and demands of the Australian curriculum before they actually start school in their new homeland. The program will enable them to quickly adjust to the nature and pace of the Australian school system. The coverage includes grades 4-12 in English, Math and Science. On completion, we also offer regular coaching support through the year with our expert tutors.

### Program Features
